Head to head in a comedy onslaught? I'm new to this.

The defuser will be prompted with "Ask the expert: [number]". Your job is to provide the correct answer that they should choose. Give the corresponding directions below to match with the prompted number.

Number	Instructions
44	Choose the bomb's serial number.
67	uh.. derrrrr.... choose da rong anser
32	Choose the left answer.
92	If a parallel port is present, save the queen. Otherwise, save the prime minister.
45	If a CAR indicator is present, choose the bomb's serial number. Otherwise, choose the bomb's battery count.
28	Choose JINX.
12	Death is inevitable.
76	You may have parallel ports, and let's say, theoretically, I have trombones. If I have the same number of trombones as you do parallel ports, will I be able to annoy my neighbors?
77	crap
234	Live in an abandoned factory with your three-eyed chinchilla
